We have seen miracles among us. Our Director of Outreach, "Dr. Chuck" now visits the homebound when only a year ago, he was bed-ridden and unable to communicate. Here is what Chuck's wife and our new member, Auburn says about her new church:

Rev. J. Christy Ramsey
Pastor

Mr. Harry Walker,
Organist/Music Director

Mr. Cal Bennett,
Financial Administrator

Ms. Renata Wagner
Secretary

Ms. Charlene Keenan
Custodian

Mr. Charlie Keenan
Custodian

Our friends at Goodyear Heights Presbyterian Church have really been what a Christian community is supposed to be -- surrounding us with love and help

Thank you for making this community possible by supporting the church with both finances and ministry this year.

- Vacation Bible School brought our community together for Bible stories and songs including children, teens and adults from all walks of life.
- Our ministry of a free dinner at Gazebo Park multiplied into a community concert where all God's children smiled and danced.

I am writing you to make you aware of financial problems the church is having this year. In the Light to the Heights Newsletter this month it was stated that because of reduced donations the church is spending each month on average between \$3,000 and \$4,000 *more than we are taking in* through all channels. We have used reserves to cover this continued short coming.

During the summer months, this problem has been aggravated because of vacations, other activities and an extremely hot summer. Please try to keep up to date on your contributions. This will not solve the short comings with the church's finances. Our Session is addressing the finances from both the expense and contribution sides of the problem. We are trying to reduce all expenditures as we try to be good stewards of God's blessings.

Thanks for your support in making Goodyear Heights Presbyterian Church a place where love and help surround all.

Cal Bennett
Financial Administrator
